

Object: information on the accredited laboratory

The CMF S.p.A. test laboratory, on date 18th December 2014, has been awarded with the accreditation n°1494L by ACCREDIA, covering the test methods as reported in the updated “List of Accredited Test Method” which can be downloaded from the web site www.accredia.it .

ACCREDIA is the Italian accreditation body, which verifies and supervises compliance with the rules relating to the use of the logo ACCREDIA and the test reports issued with ACCREDIA's logo.

The accreditation is a voluntary recognition requested by CMF S.p.A. and released by ACCREDIA which certifies the CMF S.p.A. laboratory complies with standard UNI CEI EN ISO/IEC 17025 and with the additional requirements from the accreditation body.

CMF S.p.A. and ACCREDIA have entered into a contract, called “agreement”, which regulates the relations between the parties and it is always available to the customer who wishes to read it.

Limitations on the use of ACCREDIA logo

The ACCREDIA logo on the test report refers exclusively to the accreditation of the CMF S.p.A. test laboratory. Any use and reproduction, even partial, of the ACCREDIA logo present on the issued documentation or on the company web site, is prohibited.

Web site security and safeguarding of documents issued by ACCREDIA

The accreditation certificate is published on the web site www.cmf-forgings.it for information purpose only and it does not assume any legal value. It can be downloaded in a read-only format, in order to avoid any alteration of the document.

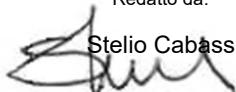

The updated list of the accredited test method can be downloaded only from the web site www.accredia.it (link available at <https://www.cmf-forgings.it/en/certifications/>); the research can be fulfilled filling the laboratory name (CMF S.p.A.) or the accreditation number (LAB n°1494L).

How to submit complains to the test laboratory

All the parties involved in the testing activities carried out from the laboratory, have the possibility to issue a complaint. The complaint shall be sent exclusively to the address lab@cmf-forgings.it.

At the request of the customer, procedure PR-715 "Management of end customer complaints" will be made available.
